**Vineyard Notes:** Galles vineyard is just North/East of Greenville and Tesla intersection. The Galles vineyard is meticulously managed by the Galles family and pruned to a target yield of no more than 3 ton per acre. The Galles vineyard is located on a rolling hill, the fruit on the higher elevations ripen sooner than the valley floor. The fruit is usually picked on 2 or 3 dates to get the perfect flavors and chemistry (ph, TA, and Brix). The location gets high winds in the afternoon thus having a significant cooling of the grapes in late afternoon which help produce the complexity and finesse of this Bordeaux style Cabernet.
